OFFICE OF THE DIRECTOR OF CIVIL SUPPLIES IN MYSORE.
(camp) Mysore,
Dated, Bangalore, 4th October 1944

My dear Mr. Sundara Rao,

Adverting to your letter dated 1st October 1944 regarding the Iluvaries, I wish to state that Mr. Abu Baker has not yet seen me and I am therefore not in full possession of what adjustment was done and the resultant improvements in "iluvari". As you know, I am handing over charge on the 7th instant. In the meanwhile, since it is felt that the appointment of two mechanics for the adjustment of cones, etc., in the mills in your area would result in better iluvaries, and as still about 90,000 pallas is to be hulled and the increase in iluvary will mean a very considerable savings to Government, the mechanics suggested by you might be employed on daily wages of Rs. 2-8-0 per day as Inspectors and sent round to look to the adjustment in all the mills.

Yours sincerely,

Sd/- B. S. Raghavendra Rao,

G. Sundara Rao, Esq., B.A.,
Deputy Commissioner,
Shimoga district.

Copy forwarded, with compliments, to the Secretary to Government, Development Department (Supplies), Bangalore long with a copy of letter from the Deputy Commissioner, Shimoga. About 90,000 pallas have to be hulled nd an increased iluvari of 2 seers of rice per palla will ean 180,000 seers or 1,800 pallas or about 36,000 rupees hich is really a very large saving. In these circumtances, pending approval of Government, the Deputy ommissioner has been authorised to appoint 2 competent echanics on daily wages of Rs. 2-8-0 a day pending orders f Government.
